Law (Education) Department.

~~Through~~

The President, District Educational Council,

South Kanara.

Sir,

I have the honour to submit herewith the Budget Estimate of the Elementary Education Fund of this Taluk Board for the year 1925-26, together with the revised Budget for the current year with the following remarks:-

Revised Budget for 1924-25

Receipts

Not accounted for

Though the amount of Education Tax ~~estimated~~ during the year 1922-23 is only Rs 3,241 the actual

Amount realised was Rs 3,430 out of which Rs 3,182 was --- refunded to Government as unauthorised collection of the --- previous year. Hence Rs 6,430 has been taken credit for as equivalent contribution under section 37 of the Elementary Education Act.

Out of the Government Grant due to this Taluk Board under Proviso to section 37 of the Act Rs 215 being the --- balance in the subsidies of the previous year has been -- deducted and the net amount has been taken credit of.

Expenditure.

The original Budget provided for the payment of --- special allowances at 50% of the pay of the teachers but as they are actually paid a temporary allowance at the --- rate of Rs 4 per mensem in addition to a Compensat[illegible] equal to the amount of Capitation allowance payable to [illegible], the provision under salaries and allowances to masters has --- decreased.

The pay of the menial servants of the Puttur Girls' school was hitherto charged to contingencies but as the Audit Department objected to the procedure, it is now debited to --- "salaries and allowances to clerks and servants". Hence the provision under this head exceeds that of in the original -/- budget.

The provision of Rs 160 under "Capitation allowances" represents the allowance paid to the conductresses in Girls' schools based on the monthly average attendance in the first four standards. ✓

The amount provided for in the last year's Budget under "Furniture and Apparatus" was not fully utilised as the furniture ordered was not made ready by the end of last year. Hence a sum of Rs 1,330 had to be paid this year on that --- account. Consequently the provision in the revised Budget ✓ exceeds that of in the original Budget.

The same remark applies to the extra provision made under " Library Books and Maps".

The total receipts under the revised Budget amounts to Rs 51,540 and added to this the actual opening balance of Rs 2,530 at the commencement of the year, the total comes to

Rs 61,160. The total charges being Rs 56,060, the year will close with a balance of Rs 5,100.

Budget For 1925-26.

Receipts

The estimated amount of school fees is --- decreased to Rs 1,500 than in the previous year, in --- view of the fact that numerous applications are being received from parents of poor pupils for exemption from payment of school fees.

Expenditure

As the teachers are clamouring for revised scale of pay and in view of the fact that any sort of time scale will tell upon the resources of the Board in the near future the Taluk Board has sanctioned a revised scale from the next official year according to which each teacher will be entitled to draw a sum of Rs 5 over and above his present pay. All special and --- temporary allowances will then be done away with. The salaries of teachers are calculated according to this revised scale and necessary provision made in the Budget.

The Budget provides also for the opening of three more new schools in addition to the maintenance of the already opened new schools out of the proceeds of the Education Tax. The pay of the Peons in Boys' schools and Conductresses in Girls' schools have been suitably proposed to be revised and the necessary --- provision is made.

The amount required for paying stipends to 5 teachers to be sent up for training has been provided

The total estimated receipts in the Budget for the year 1925-26 come to Rs 51,540, while the debits come to Rs 56,270. The deficit will be made good by the expected opening balance at the close of the current year and thus the year will close with a small

balance of Rs 270/-.

I have the honour to be,

Sir,

Your most obedient servant,

Temporary President.

Law (Edn.) Draft.

(Cno 1069A) From the D.P.I. R.O.P. no. 25 B-3/24-25 dt. 19-3-25.

Subject: Budget Estimate - 1925-26 — Elementary Education Fund — Taluk Board, Uppinangady.

A.S.

The Taluk Board contributed a sum of Rs 6,080/- for 1920-21 and the succeeding years ~~excepting 1925-26 the corresponding year~~ ~~contributed yearly a sum of Rs 2,445/-~~. The board proposes to contribute for 1925-26 also a sum of Rs. 6,080/-. In the normal budget the contribution has been fixed at Rs 3,700/- But the board's proposal to contribute Rs 6,080/- need not, perhaps be objected to as it is clearly stated in the normal budget that the contribution should be raised to at least 6,080/- if the resources of the board materially improve in future years

2. Three new Schools are proposed to be opened with Six additional teachers

3. The pay of the existing teachers as proposed to be ~~revised. It is observed that in provision is made for~~ 1925-26 is Rs. 48,830/- as against Rs. 49,780/- entered in the ~~4. I call the reference to the alterations made according to the draft order submitted before the budget closes with a deficit of Rs 1,419/-~~

The draft may be sent to L.S.G. for acceptance.
